

It's nice to e-meet you

Denimtek

Company Profile

Levent Korkmazer
Founder & CEO

About Denimtek

You Design , We Create

Denimtek is a denim manufacturer and buying house located at Istanbul which is at the intersection point of Europe and Asia . Denimtek is established in 2016 by Mr.Levent Korkmazer .

Company Purpose

We are providing professional and responsible sourcing service for our exclusive clients from Europe ,UK , USA and Canada.

Our Purpose: to help you find the perfect product for your brand.

Company Vision

Sustainable Denims

Our vision is to introduce innovative and sustainable textile products which reduces water ,chemical and energy consumption during production to our valuable customers

Reduce

Reduce water&Chemical

Recycle

Post consumer waste

Reuse

Don't Waste It

Company Mission

An inspiring way to explore fashion

Our mission is to enable our customers to reach their required products with best quality easily and reliably.

Why Us?

Reliable and experienced partner in Turkey

Our experience is based on denim from fiber to final product. Because of this reason , we are producing best quality denim products such as denim jeans, jackets ,shirts ,shorts, skirts and dresses. But we are also producing sweatshirts , hoodies , t-shirts , dresses according to our customers requirements .

How it works

Here's how our premium service works.

Proposal preparation

We work on the tech packs and we prepare a proposal for your inquiry

Sampling

If you accept the proposal we can prepare a sample before production.

Production

After sample approval we start production.

Sampling

Sampling lead time
is 2 weeks
